Amor Satyr

Amor Satyr is a French DJ and producer whose compositions and sets are swinging from audacity to innovation and are always full of pure energy. As if liberated from genre restrictions and by developing a rich sound with a strong identity, Amor Satyr's sole goal & purpose is to make the crowds dance and vibrate to his very particular & intricate sound. Drawing his inspiration from various different realms, such as Rave, Tribal Techno & Jungle, and mixing it with more permissive rhythms like Juke, Baile Funk, Dembow & Bass, Amor Satyr moves between these different worlds with a surprising ease, thanks to his, lively, dynamic transitions, and he is constantly adapting and evolving in the musical context.

His personal productions and the ones coming out of his collaboration with his friend «Siu Mata» are mainly released through their own label « Wajang ». Both of them also form «Sexapil», a project with a Tribe sound to it.

DJ et producteur français, Amor Satyr compose des sets qui oscillent entre audace, innovation et énergie pure. Avec comme seul objectif de faire danser les foules, il s'affranchit des restrictions de genre, en développant un son riche avec une identité marquée. En tirant ses inspirations d'univers variés, allant Bass Music, Rave (Techno / Jungle) et rythmiques plus permissives (Juke / Baile Funk / Footwork). L'artiste navigue avec une facilité déconcertante entre les univers à coup de transitions dynamiques toujours plus entraînantes, s'adaptant en permanence au contexte dans lequel il évolue.

Ses productions personnelles, ainsi que celles réalisées avec son ami et collaborateur « Siu Mata sortent principalement sur leur label « Wajang ». Ils disposent tous les deux d'un alias nommé « Sexapil »aux influences Tribe / Tribal Techno.
